

Planning a **STAG Nite?**

or **Business Lunch?**

Thinking of **Lap Dancing?**

or **Strippers?**

Will you tell your partner?

You know she'll **feel betrayed**, don't you.

'I didn't know we were going there!'

'I couldn't let the lads down!'

'I can't remember what happened!'

'The best man organised it!'

'I was drunk!'

'It didn't mean anything!'

'...'

Do those excuses stop you **feeling guilty?**

Do you care that you'd be **hurting her?**

Will you be MAN enough...

...to SAY NO to **sexual venues**
